Feedback Obtained

Analysis of Employer on Feedback The college has a well established system of collecting feedback from the stakeholders. The feedback on the curriculum obtained from various segments of society is discussed in IQAC, College Development Committee and staff meeting and analysed properly. The institution regularly organized meetings of stakeholders and encourages various stakeholders such as students, alumni, faculty to give their feedback on curriculum. The suggestions are seriously viewed by the University and necessary arrangements are made to incorporate the suggestions in Board of studies and Faculty of law, Shivaji University, Kolhapur. The Head of the institution collects the feedback from teachers, students, parents and Alumni with regards to the curriculum, teaching quality, Co-Curricular activities, Extracurricular activities, Library and infrastructural demands. The following feedbacks are collected for proper analisation. Feedback from Students 85 of the students have expressed their opinion about the content of curriculum. The curriculum prepared by the Shivaji University is good and it is updated. After analyzing the views of students about the syllabus 90 of the students have given their opinion that the sequence of the syllabus and relevance of the unit wise content is good. Evaluation of student's strengths and knowledge is important one in the learning process. For good learning, good curriculum is required. When we asked the feedback about evaluation 95 of the students said that, it is very good. As per BCI four clinical subjects are compulsory for students. The college has taken feedback about in terms of internal evaluation of clinical subjects. Here the opinion of students is differing. Some students

here gave opinion i.e 45 good, 40 very good whereas only 15 said that the evaluation is average. Feedback from Parents Today's competitive world demands good quality education. It means good academic environment, teaching learning process, research, support services, infrastructure, and library. Parent's meeting is held in our college every year. Class teachers discussed with parents about students performance in every field. The college has collected feedback regarding curriculum enrichment and curriculum useful to the student's career. On and above all majority parents 90 have given satisfactory opinion about the parameters mentioned in the questionnaire. Feedback from Alumni The institution takes part in the curriculum development process through appropriate analysis of feedback given by the Alumni. On 28th October 2018 Alumni meet was organized by our college there were discussions on various subjects relating to college. About 90 of the alumni have expressed positive opinion regarding recent developments in the college, campus environment, various establishments of cells and interaction with college. 80 of alumni opined that the scholarship payments and sports facilities are good. 70 alumni opined that carrier guidance and health facilities are good.

The college has developed a system of appointing Class Teachers for each class. The allotment of classes to

the faculty is decided in the staff meeting at the commencement of academic year and the students are also informed about it. Since the college has 09 full time faculty the students are divided according to the strength of the classes. The mentors/class teachers are responsible for the academic performance and progress of the students. They are also entrusted with the job of monitoring the attendance and records of class tests and activities of other subjects as well. The class teachers also look after the cognitive, emotional and psychological well being of the students. For this the mentors/class teachers are well informed about the socio-economic as well as educational background of their mentees. The mentors also counsel the students as and when necessary regarding their personal, academic as well as career issues. They also collect feedback from other subject teachers, especially regarding the slow learners to facilitate their progress. Teacher-parents meetings are organised so that parents can also be included in the entire process. The teachers have been given freedom to make use of formal as well as informal means to achieve the desired objectives regarding the students.
