# Rapporteur Report of One Day National Webinar on Migrant Workers and Labour <br> Laws: Identifying Gaps and Exploring Legal Remedies on $23^{\text {rd }}$ December 2020 

A One Day National Webinar on 'Migrant Workers and Labour Laws: Identifying Gaps and Exploring Legal Remedies' was organised in Council of Education's Shahaji Law College on $23^{\text {rd }}$ December 2020, the $22^{\text {nd }}$ Death Anniversary of the Founding Father of the Institution Deshbhakt Dr. Ratnappanna Kumbhar. The National Webinar was funded by the National Commission for Women.

## Inaugural Session:

The National Webinar began with an introduction of the theme of the Webinar by Principal Dr. R. Narayana. Dr. Narayana thanked the National Commission for Women for providing funds to conduct the webinar on such a timely and pressing issue. Dr. Vishwanath Magdum, Member, Council of Education also addressed the participants of the seminar. He highlighted the immense contribution of Dr. Ratnappanna Kumbhar to alleviate the position of the working class and also his contribution to the making of the Indian Constitution. He wished a grand success for the National Webinar. The Key note Speaker for the Inaugural session was Prof. (Dr.) Ishwar Bhat, Vice Chancellor of the Karnataka Law University, Dharwad. The key note Speaker was introduced by Dr. Suchita Suragihalli. In his key note address Prof. Bhat covered a number of Legislations, International Conventions and policies for the migrant workers in context of the Women migrant workers. He highlighted the various benefits that can be given to women migrant workers even if they are appointed on a temporary basis. He pointed out that the labour market, prominently that of the migrant workers is gendered in the sense that women have to face discrimination, exploitation and apathy. Sir drew attention to the United Nation conventions meant especially for the migrant workers which the nations should adopt and implement as a moral responsibility. He argued that the scope left for interpretation of laws should not result in discrimination against women but rather in realization of Gender Equality. The vote of thanks for the inaugural session was expressed by Dr. Suchita Suragihalli.

## $1^{\text {st }}$ Technical Session:

The topic for the $1^{\text {st }}$ Technical session was 'Role of Policies and Legislation: viz-a-viz Migrant Women Workers'. The Resource Person for the first Technical Session was Hon. Pankaj Deshpande, Secretary, District Legal Service Authority, Kolhapur. Dr. M. C. Sheikh faculty member of Shahaji Law College, introduced the Resource Person. Hon. Deshpande at the very outset made it clear that the while looking for solutions to the issue of rights of migrant women workers, we should have a right-based approach rather than a charity-based one. It should be free of traditional biases. He highlighted the effect of manual labour on the health and shelter of women. Deshpande Sir took an overview of the Constitutional basis of legislation for migrant women worker in Fundamental rights and Directive Principles of State Policy. He emphasized that there can be no excuse for not converting the provisions into a law. He lamented on the fact that lack of data and statistics regarding these workers also results in lack of effective measures to overcome the issue. He concluded by stating that migration is going to be present forever, so the policymakers need to change their mindset and come up with action oriented plans to beat the tragic and hapless situation of the migrant women workers.

## $2^{\text {nd }}$ Technical Session:

The topic of the $2^{\text {nd }}$ Technical Session was 'Implementation of Labour Laws to Migrant Women Workers in India'. The resource Person for the session was Senior Adv. Dr. Santosh Shaha. Dr. Savita Rasam, Faculty of Shahaji Law College introduced the resource person. Adv. Santosh Shaha took an overview of the Directive Principles of State Policy in the Indian Constitution from Article 39 to 43 to underline the responsibilities of the State viz-a-viz its responsibility towards the migrant workers and women in particular. Sir also examined the provisions of labour laws like, Interstate Migrant Workman Registration Act 1979, the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013 and the yet to be enacted Occupational Safety Healthy Working Conditions Code 2019. The Interstate Migrant Workman Registration Act, Adv. Shaha said also include the application of other legislations like Workman's Compensation Act 1923, Payment of Wages Act 1936, Industrial Dispute Act 1947 and many acts which provide relief like The Maternity Benefit Act 1961. But the lack of awareness among the workers keeps them bereft of the benefits of these acts. Shaha sir also examined Case Laws like Harsh Mander vs Union of India and Alakh Alok Srivastava vs Union of India in which the SC came down heavily on the Government regarding
granting of Minimum Wages, basic necessities and medical facilities to be provided to the workers. Dr. M. C. Sheikh delivered the vote of thanks for the session.

## $3^{\text {rd }}$ Technical Session:

The topic of the $3^{\text {rd }}$ Technical Session was 'Migration a Challenge to Women Rights: Social Issues and Politico-economic Redressal'. The Resource person for the $3^{\text {rd }}$ Technical session was Dr. B. S. Patil, Slagaocar Law College, Goa. Prof. Suhas Patki, Faculty of Shahaji Law College introduced the Resource Person. Through 11-points relating to the topic Dr. B. S. Patil made an exhaustive and rigorous discussion regarding the plight of the migrant women workers. He referred to migration as double-edged sword which on the one hand brought economic growth in its host land but on the other hand changed its the cultural demography. He made a distinction between internal and intra migration in terms of its nature, its push and pull factor and predictability. Dr. Patil is of the opinion that a feminisation of migration has taken place and its study in the context of share in employment, wages, flexibility of nature of work is imperative in present times. He identified the constraints of women migration i.e., manipulation of employment agencies, sexual exploitation, withholding wages, lack of healthcare etc. Dr. Patil recommended that the benefits of migration need to be highlighted to increase public awareness, pan-India migration studies need to be conducted, women returning home need to be socially and mentally supported etc.

At the end the Dr. Praveen Patil, Convenor of the One Day National Webinar on Migrant Workers and Labour Laws: Identifying Gaps and Exploring Legal Remedies delivered the vote of thanks to the Directors of the Council of Education, Principal, Faculty members, non-teaching staff, students and participants. The webinar was anchored by Dr. Suchita Suragihalli and Dr. Asmita Patil.

Report on the National Seminar

## INTRODUCTION

(a) Background Note of the subject matter of the Seminar/Workshop/Conferences

Trafficking of women for the purpose of sexual exploitation, prostitution, forced labour, slavery and servitude is a worldwide phenomenon unfolding by leaps and bounds every day. Many International Conventions supported by National Legislations and Policies are put in place by the national and international communities to curb this ever-growing menace. However, the ground realities underscore the fact that not much appreciable has been noticed at the ground level. Of the agencies tasked to ameliorate the conditions of women, National Commission for Women is a front runner. Having understood that the lack of sensitization among the stakeholder about the phenomenon of trafficking has resulted in perpetuation of this crime, the commission has encouraged the institutions to shoulder their responsibility in disseminating the existence of legal framework and rehabilitative schemes for the victims of the trafficking. The present seminar is one of such joint ventures between National Commission for Women and Shahaji Law College, Kolhapur. Out of this joint venture, it was decided to have a national seminar on this topic by inviting resource persons from across the country, faculty, discipline and age group, so that the enormity and dimension of the women trafficking is understood, problems identified, and solutions offered.

QAFHIS SEMINAR IS SPO ORED BY NA YRAL COMMSION FOR WOMEN
25. Case studies - city, locality, geographic specific - of Women trafficking
Any other theme related to and consistent with the main theme
The procedure adopted by for conducting the Seminar was in three parts. The key note address was given to the sitting judge and secretary of district legal services authority with a particular purpose of blending the law, practice and realty. Since the resource person was from judiciary who actually handled the cases of women trafficking and was in close coordination with the police unit which handles such cases, he was vocal, pervasive and educative in his address.

The second procedure adopted was to have two resource persons from different and yet from linked to the phenomenon of women trafficking. The first resource person was from the judiciary who practices the criminal law and advises the police units including central bureau of investigation on various facets of law in action. He was successful in bringing the awareness and nuances of women trafficking and laws relating thereto.

The second resource person was a lady, social activist and grassroot worker for ameliorating the constitution of trafficked women. With her vast and close observation of women working as sex workers on pune's red light area, she could relate many incidences of how women are trafficked and forced into sex work against their will. She also narrated as to how forced sex workers remain with no choice but to continue the same after a
lapse of time. Her observations were of pertinence and representative of zero ground reality.

The chairpersons for the both sessions were from the field of law who summarized the proceedings of the sessions with their own obscrvation

T're third session was paper presentation where the more than 68 participants presented their papers in three parallel sessions across the disciplines. Two of the paper presenters were from international background since they represented international academic institutions.

The fourth part was dedicated to valedictory wherein another legal expert from school of law, Gujarat University, expressed his observations.

Thus, three-fold methodology was followed. Firstly key note address 'was delivered, secondly resource persons spoke and thirdly papers were presented across cornering disciplines
