REPORT
SHAHAJI LAW COLLEGE, KOLHAPUR
ELOCUTION COMPETITION

As part of my internship at Shahaji Law College, Kolhapur, I had the privilege of assisting in the organization of an elocution competition to commemorate the birth anniversary of Deshbhakt Dr. Ratnaappa Anna Kumbhar on 14th September 2022.

This report outlines the planning, execution, and outcomes of the event, highlighting its significance in honoring the legacy of Dr. Kumbhar and promoting patriotic fervor among students.

The planning phase involved collaborative efforts between college administrators, faculty members, and student representatives to conceptualize and organize a meaningful tribute to Dr. Ratnaappa Anna Kumbhar. Key aspects of event planning included setting objectives, defining competition guidelines, selecting participants, securing judges, and arranging logistical support.

The elocution competition was designed around the theme of patriotism, reflecting Dr. Kumbhar's unwavering dedication to the service of the nation. The primary objectives of the event were to celebrate Dr. Kumbhar's legacy, inspire students to uphold patriotic values, and provide a platform for self-expression and public speaking.

Poster Presentation Competition

On the eve of International Day of Democracy

REPORT

16/09/2022

On the occasion of the International Day of Democracy, Shahaji Law College organized a Poster Presentation Competition on Wednesday, 14th September 2022. The event aimed to promote awareness and understanding of democratic principles among students, faculty, and the broader community.

The competition saw enthusiastic participation from students across various disciplines. Participants showcased their creativity and critical thinking skills through visually compelling posters that explored themes related to democracy, civic engagement, and political participation. The theme of the competition, "Democracy in Action: Empowering Voices, Building Communities," encouraged participants to delve into the core principles of democracy and its significance in fostering inclusive and participatory governance.

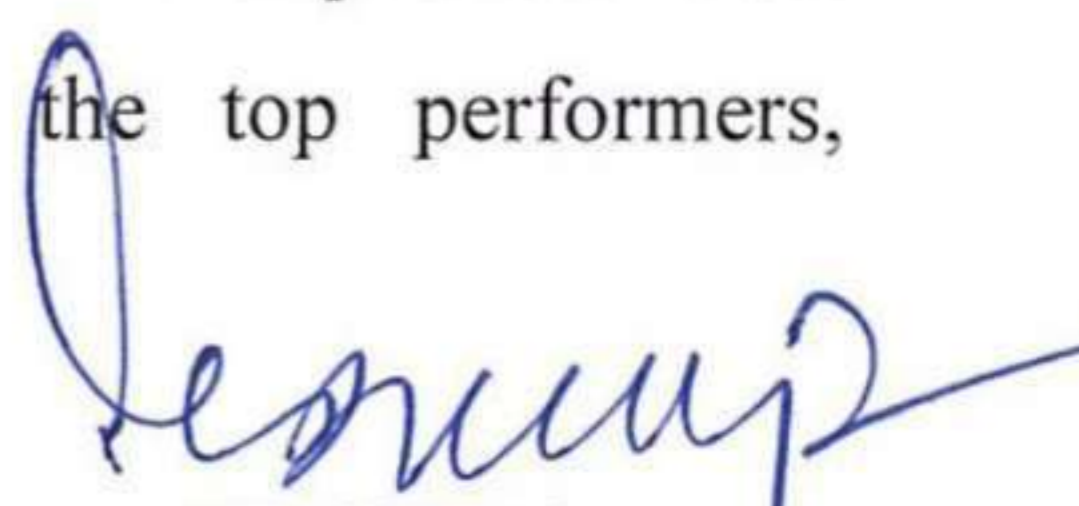

The poster presentations covered a diverse range of topics, including electoral reform, human rights advocacy, youth participation in politics, and the role of media in democratic societies. Each presentation was accompanied by an engaging narrative, providing context and insight into the depicted themes.

A panel of judges, comprising faculty members and invited experts, evaluated the posters based on criteria such as creativity, relevance to the theme, clarity of message, and visual impact. Participants were also judged on their ability to effectively communicate their ideas and engage with the audience during the presentation.

Following careful deliberation, the winners of the Poster Presentation Competition were announced during a closing ceremony. Prizes were awarded to the top performers,

The success of the event would not have been possible without the support and cooperation of the organizing committee, faculty members, judges, participants, and attendees. Their enthusiasm and dedication contributed to making the Poster Presentation Competition a memorable and impactful celebration of the International Day of Democracy.

Looking ahead, Shahaji Law College remains committed to organizing similar events and initiatives that promote civic education, democratic values, and active citizenship among students and the wider community. संविधानातील तरतुदींची प्रभावी अंमलबजावणी आवश्यक : प्रा. डॉ. सुरगीहळ्ळी

कोल्हापूर :

लोकशाही बळकटीसाठी राजकीय व्यवस्थेने आणि प्रशासनाने संविधानातील तरतुदींची प्रभावी अंमलबजावणी करणे गरजेचे आहे असे प्रतिपादन प्रा.डॉ. सुचिता सुरगीहळ्ळी यांनी केले. संविधान दिना निमित्त शहाजी लॉ कॉलेज येथे आयोजित कार्यक्रमात त्या बोलत होत्या.

यावेळी प्रा.डॉ. सुरगीहळ्ळी यांनी सुशासन निर्माण होण्यासाठी कायद्याची प्रभावी अंमलबजावणी होण्याची गरज आहे व चांगले प्रशासन निर्माण होण्यासाठी लोकपाल निष्पत्तीचा प्रस्ताव अोकतेला रात्र झाला पण प्रत्यक्षात त्या प्रस्तावाला मान्यता मिळत नाही. याबाबींवर प्रकाश टाकला. सहभागात्मक शासन हा लोकशाहीचा कणा आहे. पण जोपर्यंत निर्णय घेणारी प्रशासकीय यंत्रणा ही कायद्याच्या चौकटीत राहून काम करत नाही तोपर्यंत सुशासन हे स्वप्नवतच राहणार आहे.

सदर कार्यक्रमाप्रसंगी संविधानाच्या प्रस्तावनेचे वाचन करण्यात आले तसेच सर्व विद्यार्थ्यांनी मी संविधानाचे पालन करीन, अशी शपथ घेतली

यावेळी संविधान दिनाचे औचित्य साधून विद्यार्थ्यांनी मनोगत व्यक्त केले. प्रस्ताविक प्रा. डॉ. सविता रासम यांनी केले. तर आभार प्रा. सुहास पत्की यांनी मानले. यावेळी श्री. कैलास पवार, प्रा. डॉ. अस्मिता पाटील आदी उपस्थित होते.

Date: 24th January 2023

On 24th January 2023, students of Shahaji Law College embarked on a visit to Chetna Vikas Mandir, a non-profit organization dedicated to social welfare and community development. The visit aimed to provide participants with firsthand exposure to the organization's initiatives, activities, and impact on the local community.

Upon arrival, participants were warmly welcomed by the staff and volunteers of Chetna Vikas Mandir. An introductory session provided an overview of the organization's history, mission, and objectives. Participants learned about the various programs and projects implemented by the organization in areas such as education, healthcare, women's empowerment, and rural development.

Participants had the opportunity to visit different project sites and interact with beneficiaries of Chetna Vikas Mandir's initiatives. They observed firsthand the impact of programs such as vocational training, skill development, and community health camps on the lives of marginalized individuals and families. These interactions facilitated a deeper understanding of the socio-economic challenges faced by vulnerable communities and the importance of grassroots interventions.

The visit included interactive sessions with key stakeholders, including program coordinators, community leaders, and beneficiaries. Participants engaged in dialogue, shared perspectives, and exchanged ideas on strategies for addressing social issues and promoting inclusive development. The discussions highlighted the significance of collaboration and partnership between civil society organizations, academia, and government agencies in fostering sustainable change.

Following the visit, participants engaged in reflective discussions and debriefing sessions to process their observations and insights. They identified lessons learned, challenges encountered, and opportunities for future engagement with Chetna Vikas Mandir and similar organizations. The visit inspired participants to reflect on their roles as future legal professionals and advocates for social justice.

The visit to Chetna Vikas Mandir provided participants with a transformative learning experience, deepening their understanding of social issues, community development, and the role of NGOs in promoting social justice. The firsthand exposure to grassroots initiatives and interactions with beneficiaries reinforced the importance of empathy, compassion, and solidarity in addressing systemic inequalities and empowering marginalized communities.

Shahaji Law College is committed to fostering meaningful partnerships with organizations like Chetna Vikas Mandir to promote social responsibility, experiential learning, and community engagement among students and faculty members. Future collaborations may include joint projects, internships, research initiatives, and advocacy campaigns aimed at advancing the cause of social justice and human rights.

INTRODUCTION

The prisons now a days are styled as a correctional institution rather than as an institution for punishment. This is because with the evolution of the society and the increasing importance of human rights we have moved into an era of reformation from the era of retribution. The main objective of prison is to convert the inmates into ordinary members of the society by providing them with useful skills, education and respect for the law.

It aims to improves the inmates self-esteem and strengthen their desire to improve. To engage, rehabilitate and reform its inmates, the current prison system in India uses music therapy which involves music training sessions and concerts. Many of the inmates continue their higher education through distance learning programmes. Thus the prison is acting as an adult school.

What is the vision of the prison department?

- ❖ To provide safe and secure detention of the prisoners committed to the prison custody.
- ❖ To provide for the reformation and rehabilitation of prisoners.
- ❖ To provide for Basic Minimum facilities to prisoners to maintain human dignity.

What is the mission of the prison department?

To provide minimum standard of living, treatment to the prisoners remanded to judicial custody and at the same time to reform rehabilitate them by involving them in various vocational, spiritual, educational activities so that they become useful citizen of the country after their release.

✚ Jail Profile and History

As mentioned for the purpose of prison administration, the state of Maharashtra is divided into four Divisions-Eastern, Western, Northern, and Southern, each headed by a DIG, Kolhapur forms a part of the Western region.

Originally set up as District Prison before the formation of Maharashtra state, Central Prison, Kalamba, Kolhapur is one of the largest prisons in Maharashtra. The prison had housed many freedom fighters during the British period. On the other hand, some of those who belong to dreaded criminal gangs and those allegedly involved in Bombay blast and Railway blast, prisoners from Mumbai, Kalyan, Sangli, Satara, Karad, Ratnagiri, Sholapur and some from outside the state are serving their sentence here.

✚ Land and infrastructure

The prison is spread over an area of 73.36 acres with a built up area of 15.10 acres. It also has an open jail presently accommodating 43 prisoners.

There are Under Trail as well as Convicted Prisoner's, Under Trail prisoners are in regular Clothes , Convict Prisoner's have Stripped Uniforms and in that also

- Progress in individual cases also needs to be tracked.
- Data on appeals filed by prisoners ought to be maintained properly.

Jail authorities ought to make a sustained efforts to reduce UT populations, by increased production of UTs through video-conferencing, proper tracking of cases, providing legal aid to UTs, regular organization of Lok Adalat and getting petty cases disposed of etc.

Parole and Furlough

In Maharashtra Parole is sanctioned to prisoners as per provisions of the Bombay Prison [Furlough and Parole] Rules, 1959, and amended as Maharashtra Prison [BF & P] Rules, 2015. It is seen that the Rules were last amended on 26-8-2016.

In the state, parole is sanctioned by Divisional Commissioners under rule 18[2] of the above said rules and the appeal against rejection rests with the State Government. Furlough is sanctioned by the DGP concerned, and emergency parole of 15 days by the Jail Superintendent.

Applications for grant of parole are to be filed by the prisoners under rule 19. Grounds permissible for sanction include serious illness or death of close relatives, damage of houses in natural calamities and marriages of close relatives.

❖ Incarceration of women

Some have small children with them; often they are separated from their small children and sometimes they are the only bread winners of their families. Detention of women, therefore, should be on exception rather than rule. If they are detained, they ought to be provided assistance to secure bail. Many of them are illiterate. They ought to be supported with legal aid and legal counselling, on priority. Their cases ought to be monitored individually. They also need to be helped to file appeals, if convicted.

❖ Right to Health

Central Prison, Kolhapur has jail hospital for Health care of its inmates

PHYSICAL OBSERVATION

❖ Jail Capacity

Against a sanctioned approximate capacity of 1700 occupancy reported was approximately 2100 in Central Jail, Kolhapur.

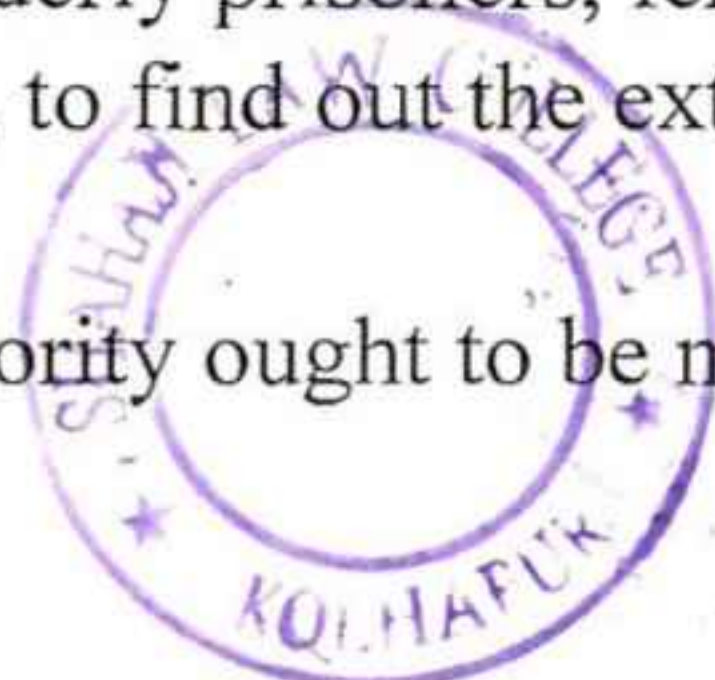

❖ Living Conditions

In prisons barracks were in found to be in good condition. Basic facilities like drinking water, regular power supply, bathing and toilet facilities are available to inmates in jails. Articles of daily use have also been provided. Food supply appeared to be generally satisfactory.

❖ Access to justice

Easy access to justice is one of the most important rights of prisoners. Prisoners in various prisons often complain about lack of legal support, difficulty in getting police escort, non – production before courts, cases not being taken up and undue delay in receiving judgements etc. Had the legal support system been effective, so may UTs would not have remained in jail, that too far years together. As of these pandemic period only 40 % of the under trials could be produced before courts in central Jail Kolhapur.

- Non- sanctioning of legal aid is a violation of the orders of the Supreme Court which held that legal aid to a poor is a constitutional mandate not only by virtue of Article 39A, but also Articles 14, 19, 21 which cannot be denied by the government.
- Although legal aid is sanctioned to prisoners, it is generally seen taken up in a routine fashion. Women, especially with children, prisoners belonging to SC/ ST communities and other vulnerable sections, which include BPL / elderly prisoners ought to get priority.
- The impact of providing legal aid is not seen assessed.
- Most often prisoners, especially women, have no knowledge of the stage at which their cases were pending. A system for tracking / monitoring of cases should be put in place quickly.
- It is learned that video- conferencing facility is being utilized in prisons. Attention needs to be paid on efficiency of daily production and the quality of time spent by each prisoners before the courts.
- Cases relating to elderly prisoners, female prisoners with children need to be scrutinized quickly, to find out the extent of their involvement and for taking remedial measures.
- Legal Service Authority ought to be made more active.

INTRODUCTION

The necessity to maintain peace and keeping law and order in the society led to the establishment of law enforcing agency in the form of Police. The word "police" is derived from a Latin word "politia" which stands for state or administration. Article 246 of the Indian Constitution has made police a state subject but Delhi Police comes under concurrent list and functions under Central Government. Section 47 and 48 of Delhi Police Act empowers Commissioner of Police to remove a person out of Delhi as special power.

FOR PURPOSES OF POLICE ADMINISTRATION the Kolhapur district is under the control of the District Superintendent of Police, Kolhapur district. The district, is divided into 2 subdivisions, Northern and Southern, each incharge of a Sub-Divisional Police Officer (Assistant Superintendent of Police or Deputy Superintendent of Police). Each of these two Sub-Divisions contains nine police stations. Northern Sub-Division has eight outposts and Southern Sub-Division eleven outposts and one sub-post. The head-quarters of the Sub-Divisional Police Officers of the Northern Division is at Ichalkaranji and that of the Southern Division is at Kolhapur. Each of these Sub-divisional Officers is assisted in his work by an Inspector whose designation is Circle Police Officer. In addition, one Police Inspector in charge of Kolhapur City Police Stations is responsible for supervision over them and traffic control in the city.

For political and allied work, there is an Intelligence Branch for the whole of the district, and it is in charge of one Police Inspector assisted by one Sub-Inspector.

There is also a Crime Branch for the district and it is in charge of a Sub-Inspector, who is also an assistant to the Intelligence Branch.

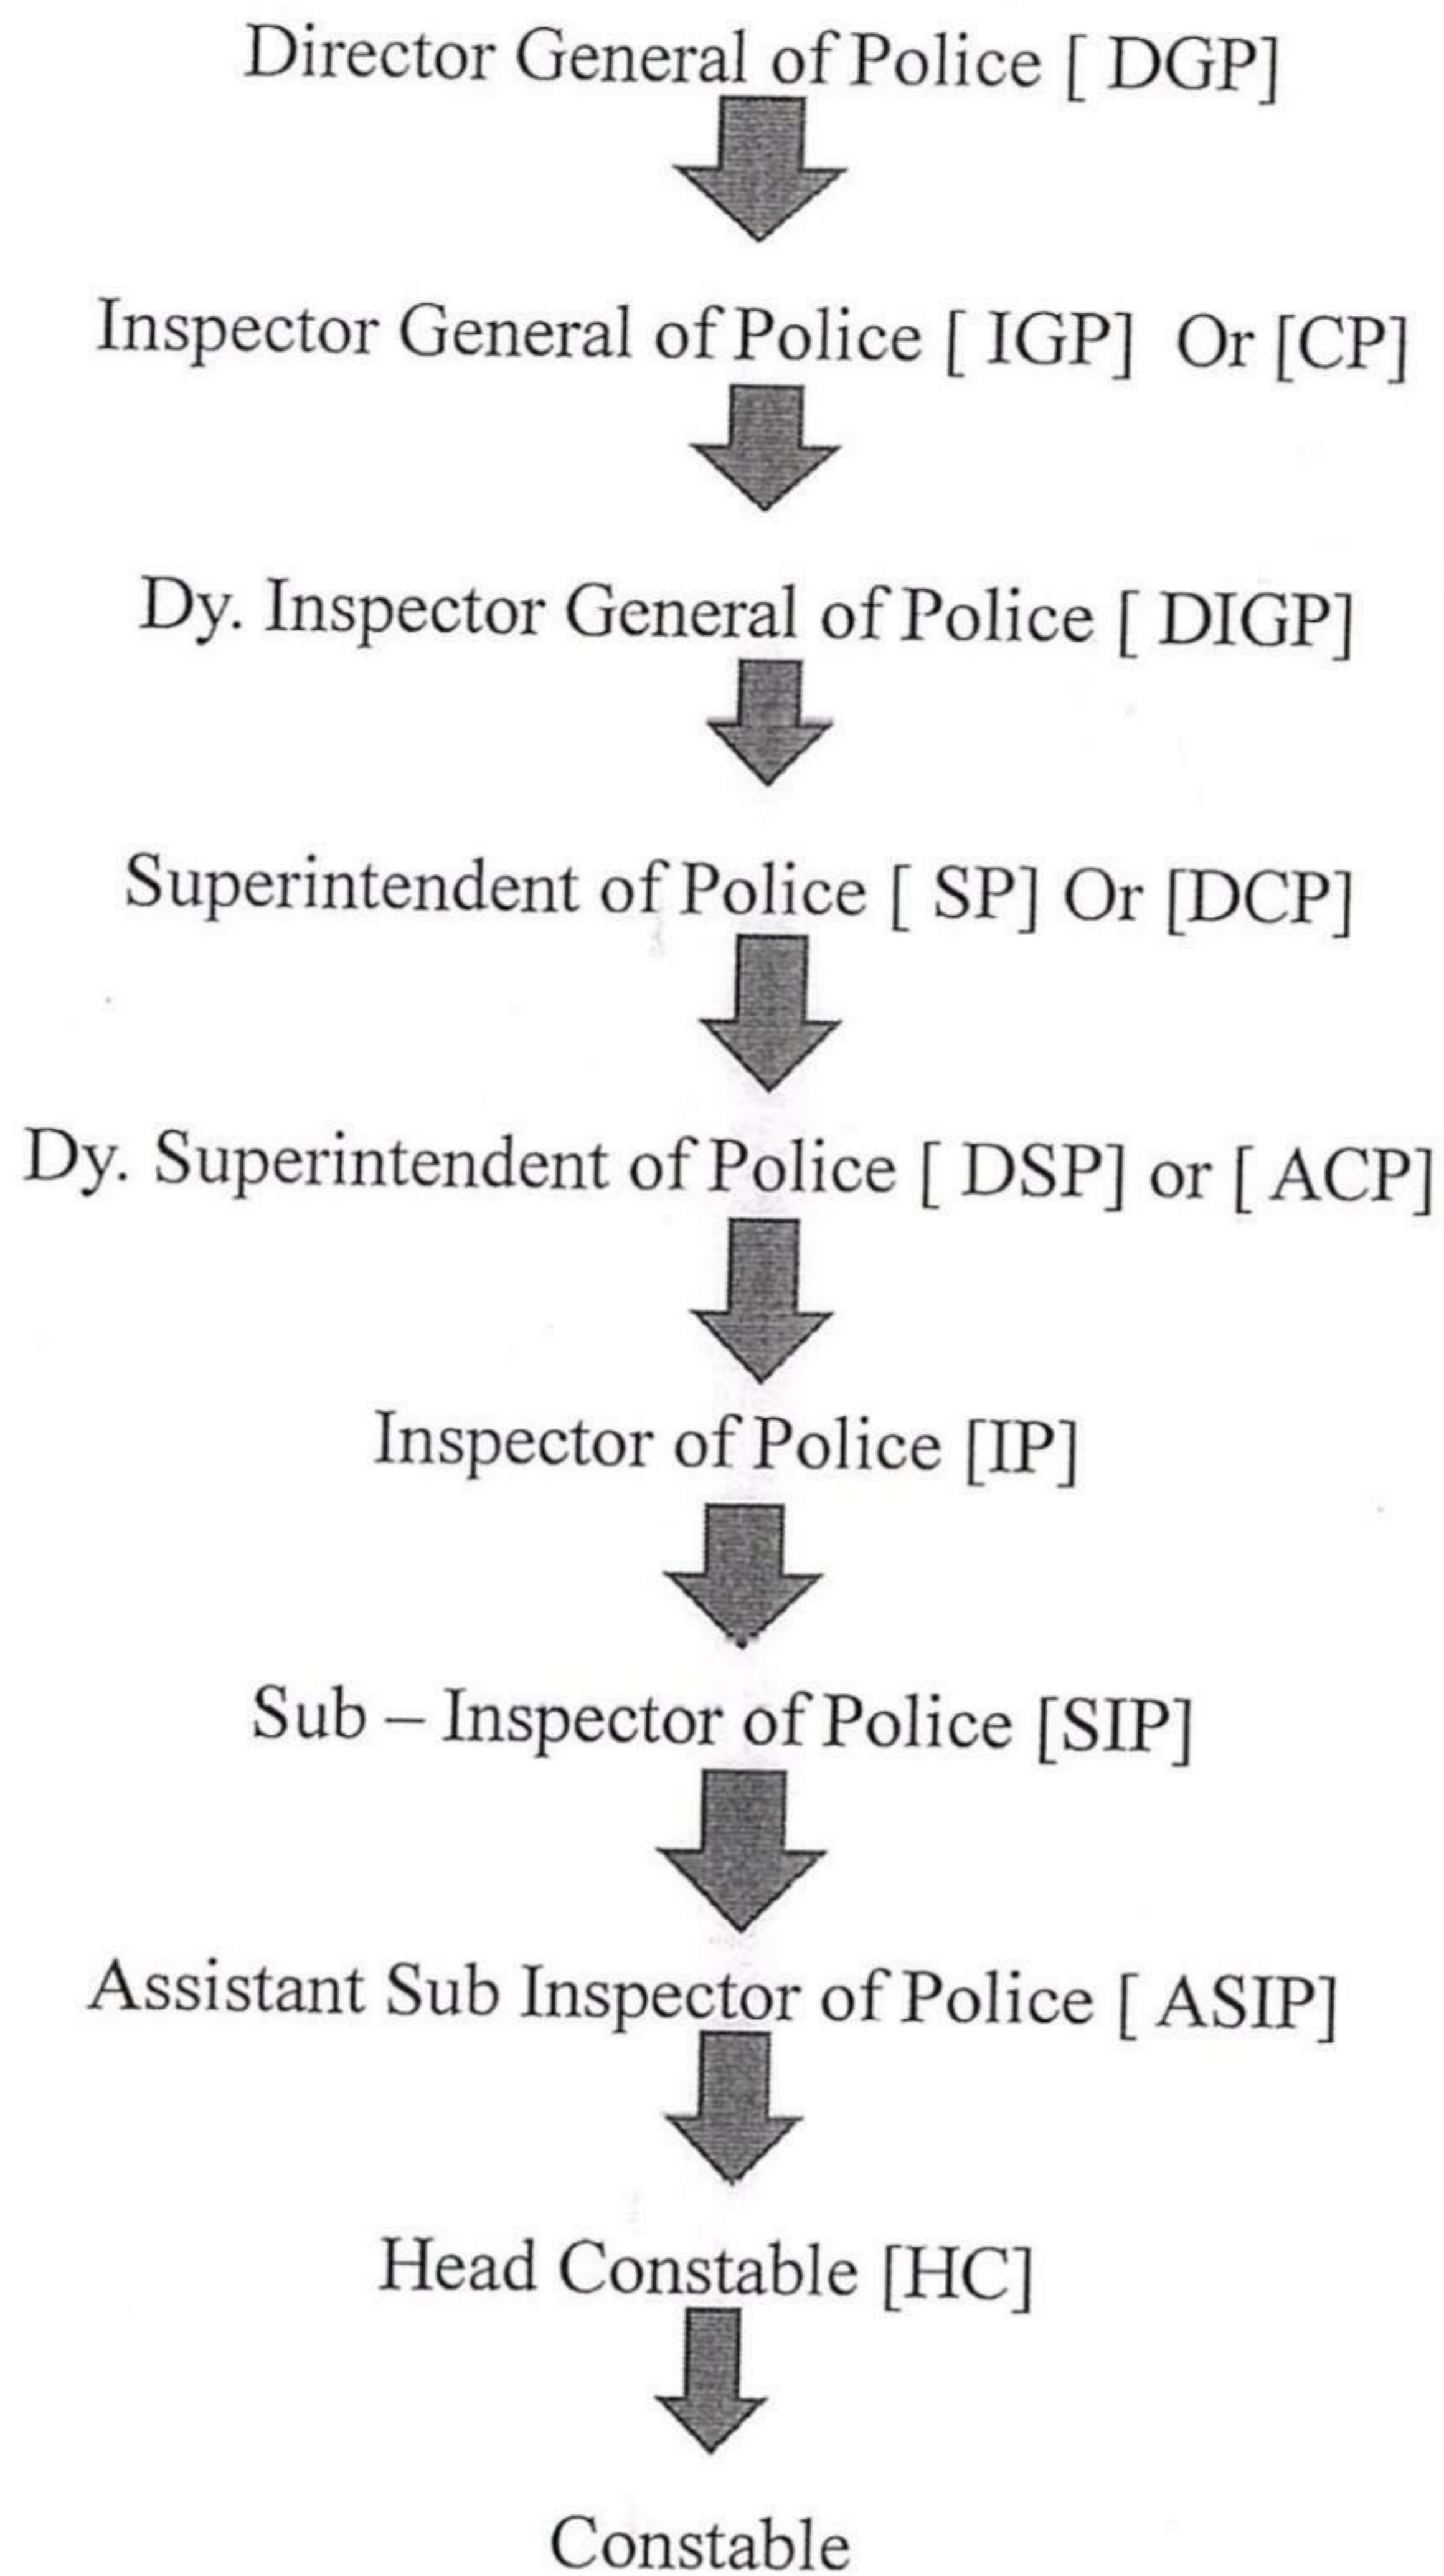

For the recruitment and training of the subordinate police and other branches of work, there is one Inspector who is designated as Home Police Inspector. Arms, ammunition and other equipment are distributed from District Headquarters by the Reserve Sub-Inspector under the supervision of the Home Police Inspector.

To visit to Shahupuri Police Station , we came to know that they have one of the most advanced administrative system in India. The Police is undertaking the following activities –

- Preventing the crime
- Controlling Criminal activities
- Arresting the anti-social elements

ORGANIZATIONAL SETUP OF POLICE

- Maintenance of law and order
- Maintenance of peace and tranquility
- Women Protection
- Controlling traffic

What is meant by FIR

The essential point of filling of FIR is to set criminal law into action, and not to state all the minute details there in. A First Information Report [FIR] is the first step in a criminal case record by the police.

It includes :

- The basic knowledge of the crime committed
- Place of commission
- Time of commission
- Who was the victim etc.

The Shahupuri police station was visited to understand the proceedings of FIR. It was a working day and the police men welcomed us. They treated us well and gave details of the FIR and its steps.

- First Information Report [FIR] is a written documents set by the police when they get information about the commission of an offence. It is an account of information that reaches the police first, and that is why it is called the First Information Report.
- A copy of the FIR is provided to the accused.
- FIR is filed only for cognizable offences [Those offences in which police do not require any warrant to arrest]. The police have the right to arrest the accused person and investigate into the matter.
- If an offence is not cognizable, the FIR is not filed and in this case, the act is not possible without the intervention of the court.
- FIR for Cognizable [serious] Offences have been defined u/s 2[c] of the Cr.P.C. 1973. This is the class of offences in which the police has the authority to make an arrest without a warrant. These offences are serious in nature, and thus the aim is to avoid the criminal or accused of harming others. Hence the police have been given right to make an arrest without warrant.

PHYSICAL OBSERVATION

The police station in which we visited is located in Shahupuri. This police station covers the area of Shahupuri. Two or three cases registered in this police station in a day. There is a board in which the poster of criminals with their details is printed. A notice board for officer's direction is also located. Different registers are maintained for different things. If a complaint is comes then try to find the truth that the complaints is true or false.

As we entered the gate of police station, we found that the ground floor consisted of following section.

1. Reception –

On the left hand as we entered the main gate inside the station, there was a reception which consisted of a big wooden table. It was headed by a lady constable. It is a place from where the complaint is directed to the respective duty officer. No FIR is lodged in this section but only the entries are done.

2. Duty Officer –

Duty officer is a person who lodges the FIR and tells the respective officer about the report. He maintains the daily diary and puts entry in them. In case of cognizable offence, he lodges FIR [First Information report] while an NCR [Non Cognizable Report] is filled in case of non cognizable offences. He also maintains the PCR calls.

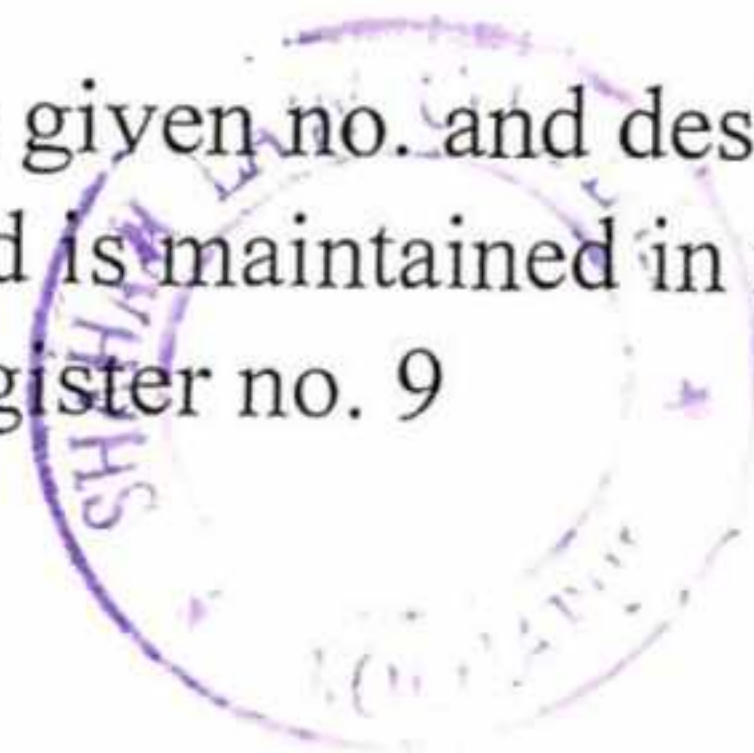

3. Investigation Room –

There is a room in the police station where a person weather accused or witness can be detained for some time by the investigation officer for enquiring.

4. Record Room –

All files are maintained here. The record of various offences and there details, PCR call record, bail register, FIR record and other information are maintained here.

The registers are given no. and designated by those no. only for example conviction record is maintained in register no. 5 , criminal record is maintained in register no. 9

5. Police Maalkhana –

It is one of the most important parts of police station. This room is a place where the various types of items collected for example – shoes, clothes, weapons, or other things. These items collected from the place of crime. These items are maintained for further trial. These items send to Forensic labs for testing.

6. Computer Room –

The FIR is now recorded in computerized form after the year of 2007. And all the data of police station saved on his website. This website is police personal website.

7. Wireless Room –

The call is directed from the headquarter to the wireless room of the police station. When a crime commits then the headquarter inform in police station through the wireless in which area the crime commits.

8. Police Lock-Up –

There are separate lock-ups for male and female. It is two in number. A proper sanitation facility is there. Rooms have sanitation facilities but no switchboards or fans, nails or any sharp edges which might help to commit suicide or harm themselves in any form.

Preparation of Case Diary U/S 172 Cr.P.C.

Case diary is also called as C.D. which contains all the investigating details. It has two kinds of pages as inner case diary and outer case diary. Inner case diary used as supplement copy and investigation proceedings are has done, up to dating by day to day in the outer case diary. These diaries are a relevant part of the case file which has F.I.R., statement of accused, inner case diary, outer case diary, disclosure statement, if any medical reports spot memo and is regularly updated by the concerned I.O. [Investigation Officer].

Some Penal Provisions

Under the Indian Constitution, the Police are a state concern. However, there are similarities between the states, due to three main reasons. First, all state polices are structured and regulated by the Police Act of 1861 or they have state statutes that are modelled after the 1861 Act. Second, the India Police Service is trained, recruited and managed by the central government. The service also deploys the senior offices to the states. Third, the central government maintains a coordinating role, while the state government is in charge of supervising its police force.

At the district level (every state is divided into districts), there is a level of dual control. On the one hand, there is a high-ranking police officer in charge of the district (District Superintendent of Police). On the other hand, that District Superintendent is subject to the general direction and control of the District Magistrate, who belongs to the executive. This was done so as to assure executive rule over the police, which was considered essential for maintaining British rule. However, the system was not always efficient so it was supplemented, gradually, in many cities, with another system, by which the commissioner of police supervises that area. Matters relating to the police at the central level are under the responsibility of the Ministry of Home Affairs.

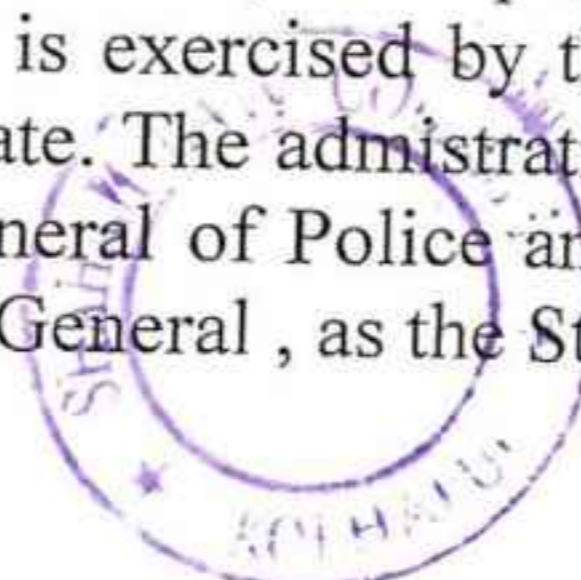

The relationship between the state and the central government is complex and multifaceted, regulated by the Constitution and framework statutes. However, for our purposes, it is important to establish which entity has control over police conduct itself. The police itself are under the auspices of the Ministry of Home Affairs. And yet, the mechanism which checks police conduct is not to be found there. The police does investigate official misconduct and corruption, but only when it comes to the misconduct of other government officials and not to police misconduct itself.

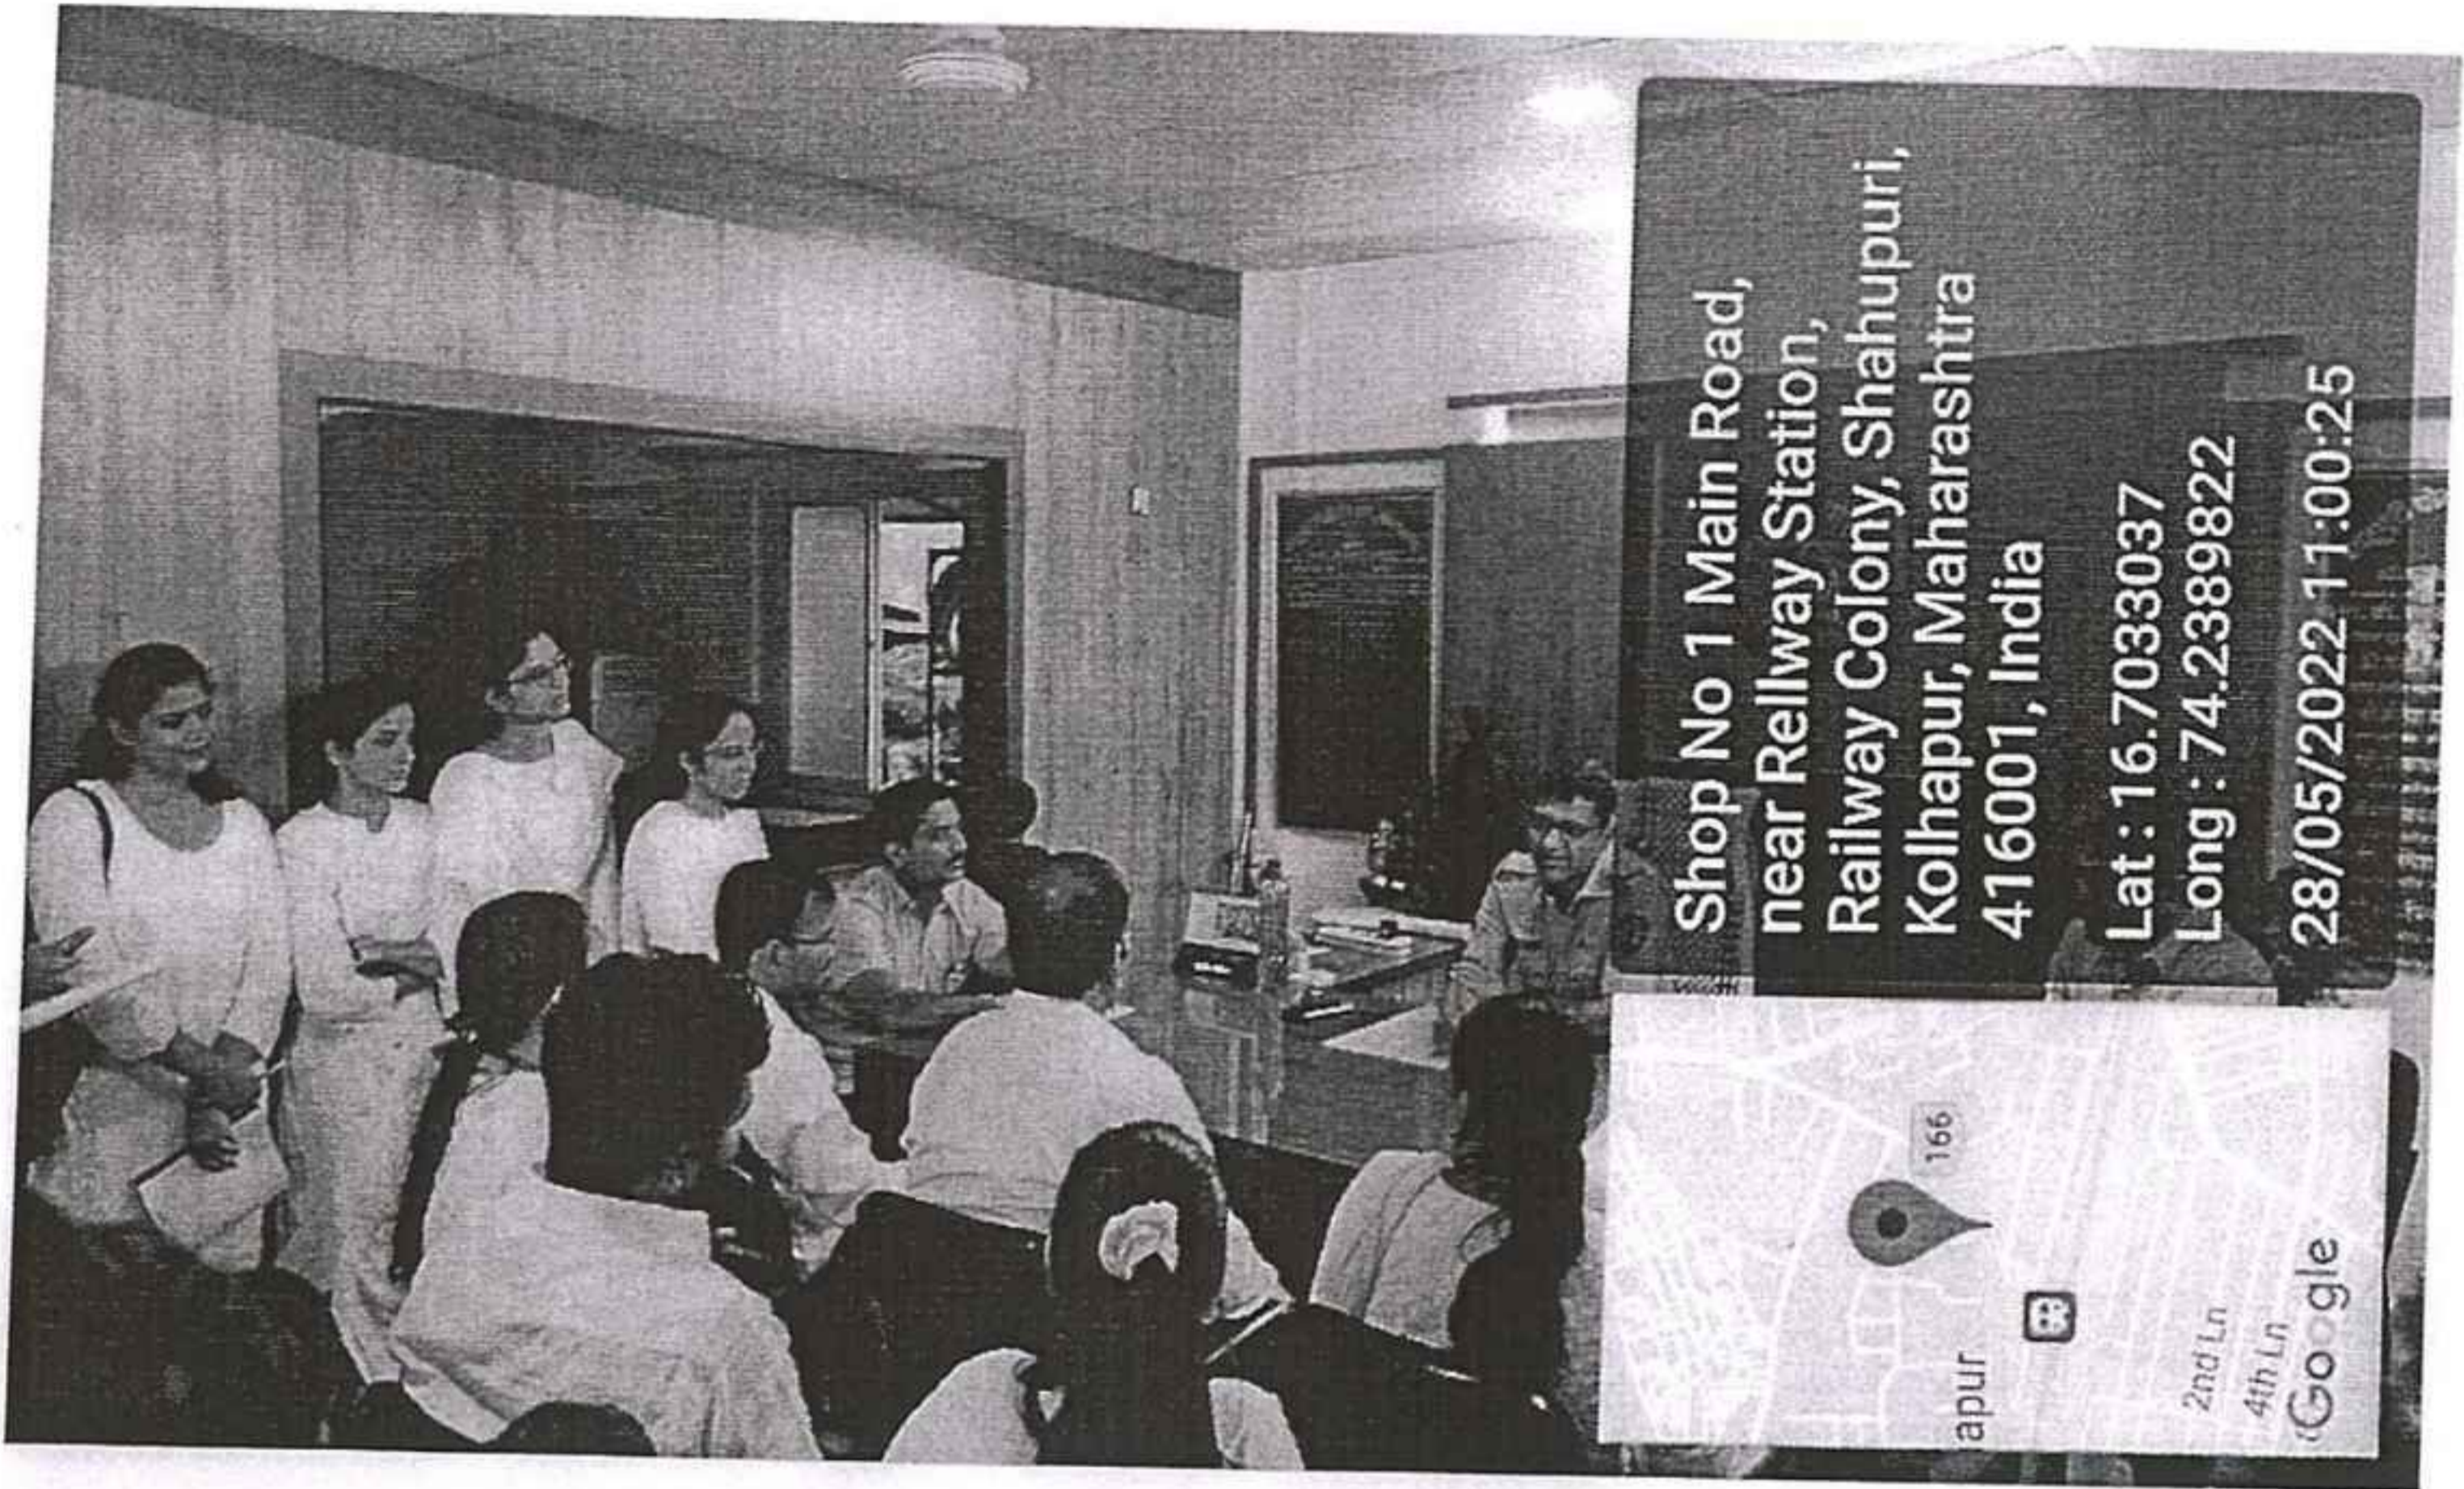

In terms of internal disciplinary investigations, the police are responsible for disciplining their own.

The duties of the police are specified in the Police Act of 1861, a remnant of colonial rule that was designed to be highly militaristic and authoritarian.

Section 20 specifies that the police do not have unfettered discretion to commit any act, but only those acts that have been sanctioned by law (the ultra-vires principle). Section 23 specifies the general duties of the police officer. Save for a brief section on neglect of duty, however, the Act does not discuss instances of civilian and political control over police when the latter has exceeded or abused its power.

Under the Police Act 1861, the superintendence of the police vests in the State Government and it is exercised by the State Government to which the Police Officer is Subordinate. The administration of the Police according to the act vests in the Inspector-General of Police and in such Deputy Inspectors-General and Assistant Inspector-General, as the State Government considers fit.

PHOTOS OF VISIT

Whereas in the Model Police Act, Superintendence of the police vests in the relevant state government. The state government is responsible for ensuring an efficient, effective, responsive and accountable police service. Superintendence is limited to promoting “professional efficiency of the police” and ensuring that “[police] performance is at all times in accordance with law. Administration of the police vests in the Director General of Police. The government cannot interfere with the Director General’s powers except in accordance with prescribed rules or in exceptional circumstances (where reasons should be recorded). The powers of administration will include:

- supervising the functioning of the police at all levels;
- appointment to subordinate ranks (all officers below the rank of Deputy Superintendent of Police);
- deployment;
- transfers and disciplinary action up to and inclusive of the rank of Inspector of Police; and
- advising the government on the placement of officers of and above the rank of Assistant/Deputy Superintendent of Police.

INFORMATION IN COGNIZABLE CASES:- (as in section 154 of the Code of Criminal Procedure)

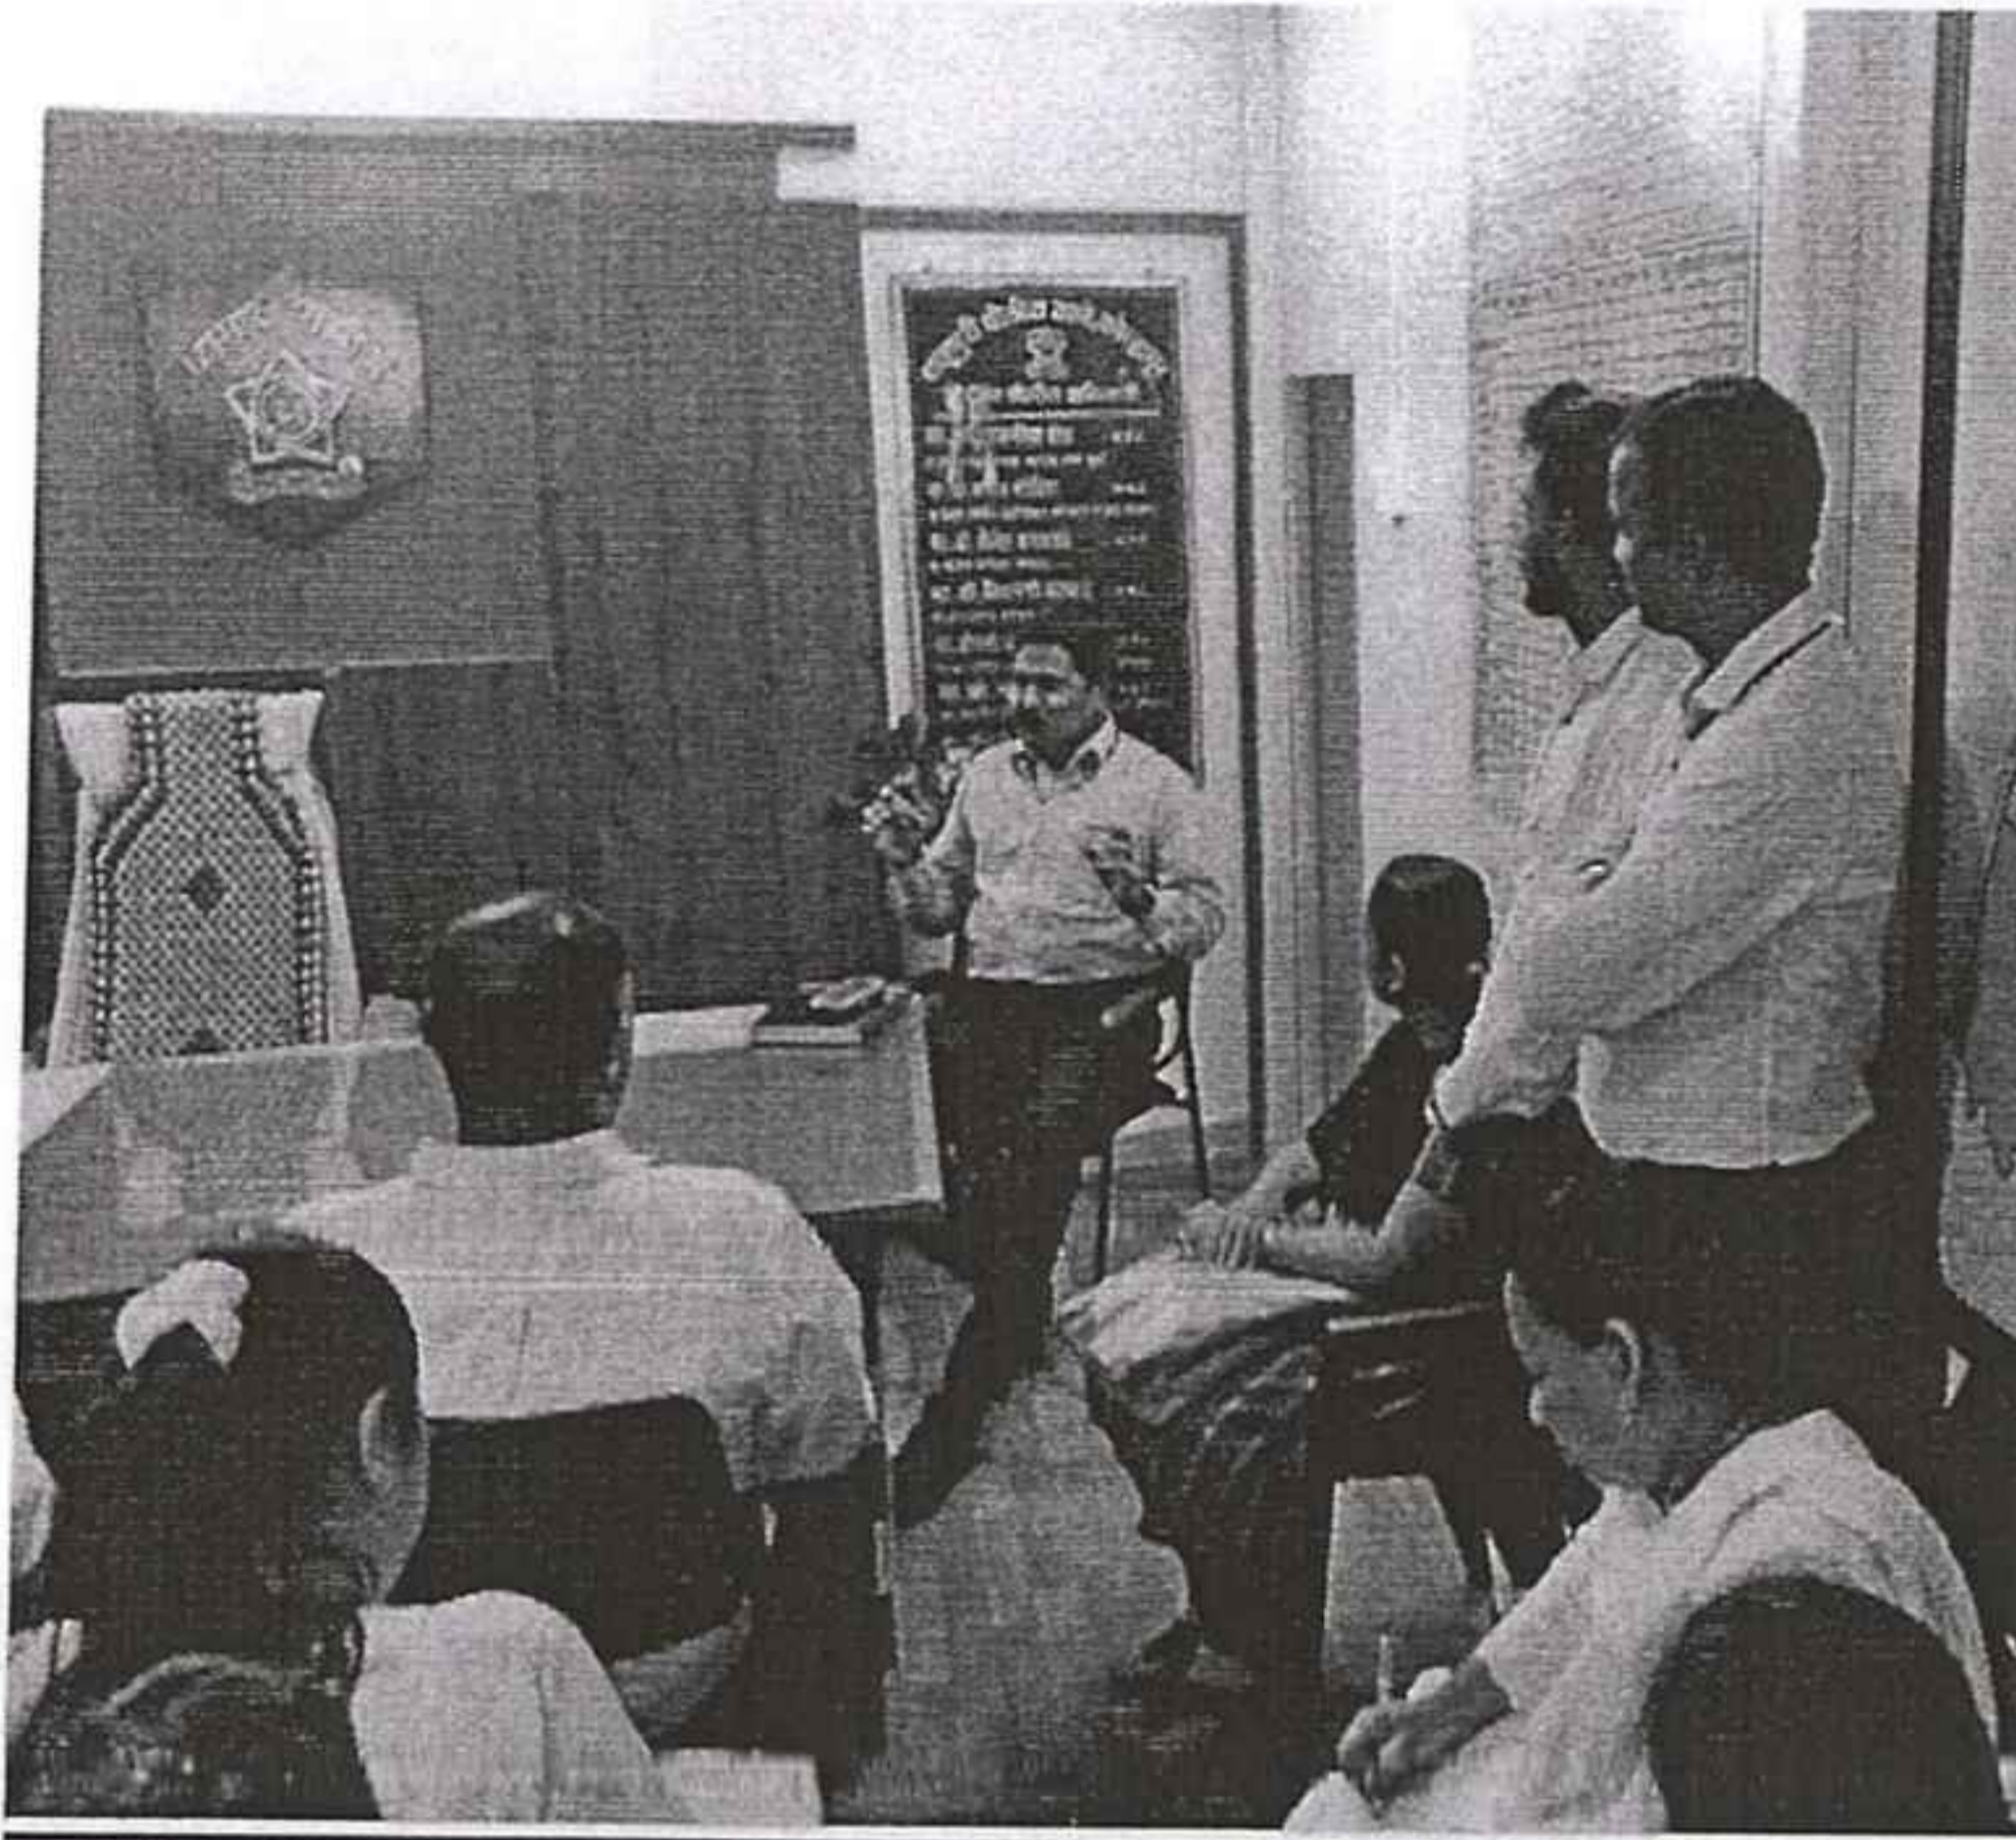

(1). Every information relating to the Commission of a cognizable offence, if given orally to an officer-in-charge of a Police Station shall be (a). reduced to writing by him, or (b). under his direction, be read over to the informant (complainant), and (c). shall be signed by the person giving the information (complaint).

(2). The substance of the first information shall be entered in the general diary.

(3). A copy of the First Information Report form shall be given to the complainant forthwith.

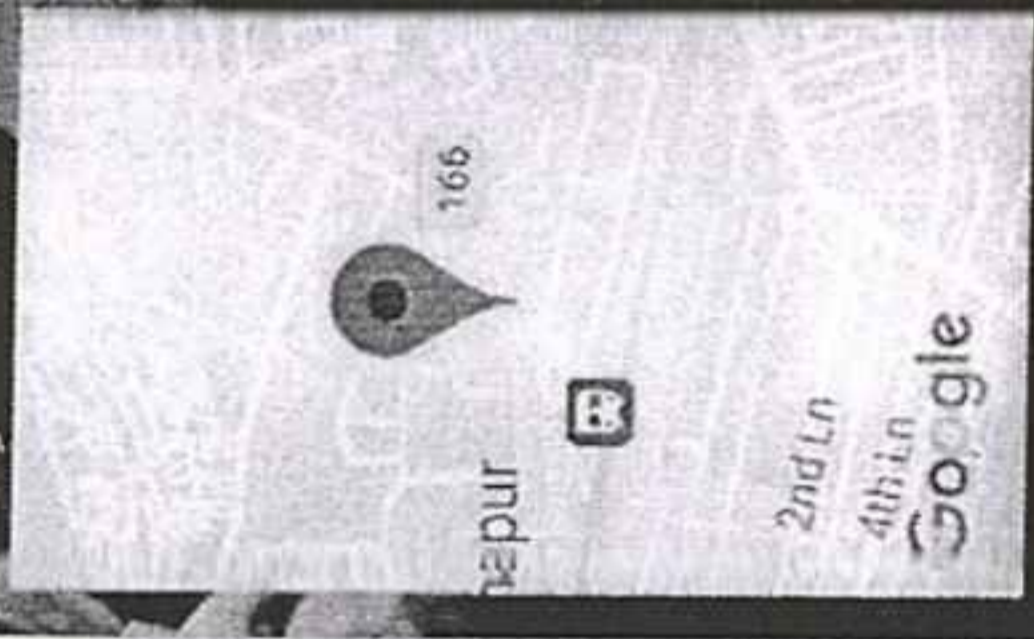

(4). The complainant, if aggrieved, by the refusal by the Station House Officer to record the first information report may send his complaint in writing by post to the Superintendent of Police concerned who may, if satisfied, investigate the case himself or direct any Police officer subordinate to him to investigate the case. Are some provisions for police.

Judgement writing problem – Criminal

Arundhati, aged 21 years, studying in BCom final year was in love with Aniruddha. However, the castes of both of them being different parents of Arundhati opposed the marriage and also threatened Aniruddha that if he does not keep away, they'll do anything to prevent him. On 27-10-2021 Arundhati sent message to Aniruddha that her parents are fixing her marriage with one from her caste and he should do the needful. Aniruddha calls meeting of his friends Shree, Sayyam, Swaroop. And told them that unless they arrange to take away Arundhati from her home she will be forcibly married. They decided that on 30-10-2021 they will help Arundhati in escaping from the house as her parents have locked her in her room on the first floor. And accordingly, Aniruddha communicated this plan to Arundhati. Arundhati told them that she can escape from her room's window with the help of bedsheet and chaddar.

On 30-10-2021 in the night at about 10pm, all the inmates of the house of Arundhati slept and the lights were put off. At about 10:15pm Arundhati intimated that she's planning to escape from the window on the rear side of the house and she needs help as she's fearing to come down alone. Aniruddha and his 3 friends parked the car at some distance from the house of Arundhati. Shree and Sayyam climbed the wall after covering their faces with masks and gave signal to Arundhati. Arundhati came down from her room with their help and thereafter she along with other 2 climbed the wall and then tried to jump down. In that attempt, Shree fell down making a loud Noise. The inmates of the house awoke and started searching. They noticed Arundhati running with 2 unknown persons. Arundhati and 2 others rushed towards car. However, as Shree was injured, he could not manage the speed. Arundhati, Aniruddha, Sayyam and Swaroop fled away in the car. Shree was caught by the inmates of Arundhati and was taken to the police station where father of Arundhati lodged FIR against Shree, Aniruddha and 2

Guest Lecture for Internship activity
2020-2021

Date :- 20 February 2021

Time :- 9.00 am.

Resource person :- Adv. Aditya Raktade.

In the year Pre-Law II, we had to visit an NGO but due to pandemic, it was physically impossible to visit an NGO therefore an online webinar was arranged for us regarding the same.

The guest lecturer for the webinar was Adv. Aditya Raktade - a former student of our Shahaji Law College. The webinar was scheduled at 9.00 am on Google meet. The webinar began with a welcome speech by Prof. Suchita Suragihalli ma'am, who was the host of the webinar.

After this, Adv. Raktade began with his lecture.

Adv. Raktade works with common people social foundation. He gave us brief information about Common People social foundation where he said that the common people social foundation is a non-profit organization that was established in 2016. The primary

NGO office is located in Mumbai, Maharashtra. At present Mr. Rakesh Karnik is the CEO of NGO. The NGO works primarily in the domain of Food, water, Gender, Tribes, Energy and Environment, Legal, Employment, Human Rights, Health, Education, Disaster management, and child & youth development. "Courage comes from strength - strengthening common people" is their slogan.

Adv. Raktade mentioned in his lecture that the organisation works to provide quality life to the underprivileged women in tribal and slum areas of India. Their mission is to ensure "Every person should enhance the skill and earn for themselves." CPsF looks for opportunities for social and economic empowerment to help minority and low-income women in India to overcome their difficulties. The working environment at Common People Social Foundation supports their growth and prosperity by promising to equip them with new craft-based skills that provide them with a sustainable means of employment. By helping them to help themselves, these women can develop much-needed confidence and independence.

Adv. Raktade further mentioned that Common People Social Foundation recently started Food for All Program. In this program, they are serving people on the roadside, outside of temples and dargahs. They have served full meals (chapati, sabji, Rice, Dal, sweet and papad) to 4500+ people in the year 2017. They have also started a clothing distribution drive out pairs of clothes to the people.

While concluding his lecture Adv. Raktade asked us to join the Common People Social Foundation as it is open for all.

At last vote of thanks was given by Suchita ma'am, after which the webinar concluded.

 - 3) Shri. Railash Power sir.

The essence of setting up any library is to serve clients and librarians are key in delivering this service using appropriate available resources to remain a relevant part of the institution that created the library, this objective must be achieved.

Overview of law library it is a collection of case records, reports, statutes, commentaries, treatises & legal materials publication in service of volumes.

Law library acquires two types of sources of law which its primary sources of law are in the Indian Constitution enactments passed by Parliament of India statute, case laws, treaties and customary law. A secondary source takes the various pronouncements of the courts on the topic, together with legislation and other

source are journal articles, academic opinion & textbook.

In recent years, the advent of online legal research outlets such as eScribers online, Westlaw, Lexis, Nexis, India Kanoon & Manupatra has reduced the need for some types of printed volumes like reporters and statutory compilations. A number of law libraries have therefore reduced the availability of printed works that can easily be found on the Internet and have increased their own Internet availability.

Introduction :-

Justice is something for which human existence has an inborn longing for - something which comes to human naturally. Yet when human world is taken into account - justice is experienced more in its denial and violations.

Social value :-

In many societies to see justice done is seen as something great rare and sometimes a miracle. M. K. Gandhi was an experience of a presence of justice for his time as well as for the world today.

Participant student for the Seminar.

Seminar at the Hall for the Gandhian View.

In the view of Mr. Perry Betzil he explained that Gandhian view or concept is purely comes from the Indian concept of 'DHARMA' & it can be understood by many ways.

For Gandhi it is a spiritually based on his religion that inspires his action. Gandhi believed that the practice of social justice aims at a utopia or religious utopia. He termed it as a 'Ramrajya' where justice would prevail as it used to during reign of the legendary king Rama.

He wants us to win all the demonic power, thinking and overcome it all way.

Mr. Gandhi is always insist on one thing and that is 'satya' holding on truth. it is existence of God.

Mr. Perry also explained that all the major ingred bases of the social justice and these are

- ① Equal distribution
- ② Trusteeship
- ③ Swadeshi - self sufficient local communities
- ④ Protection of animals
- ⑤ Work for the uplift of the oppressed.

Gandhi's vision of social justice is emerged in the context of Indian struggle for independence from British it is also based on Non-Violence.

Conclusion of the seminar has been done by Dr. Praveen patil sir as he says its all about a spiritual revolution and which has to happen individual and

In the view of Gandhiji he felt that social justice and freedom is nothing unless the oppressed get justice its all for and about Humanity and real happiness involves in finding the right balance in social values and structure by all way.

Rangoli Competition at Shahaji Law College

Shahaji Law College organized a vibrant Rangoli Competition on 18th February 2019, providing students with a creative platform to showcase their artistic talents and celebrate the colorful tradition of Rangoli. The event aimed to promote creativity, cultural expression, and camaraderie among participants.

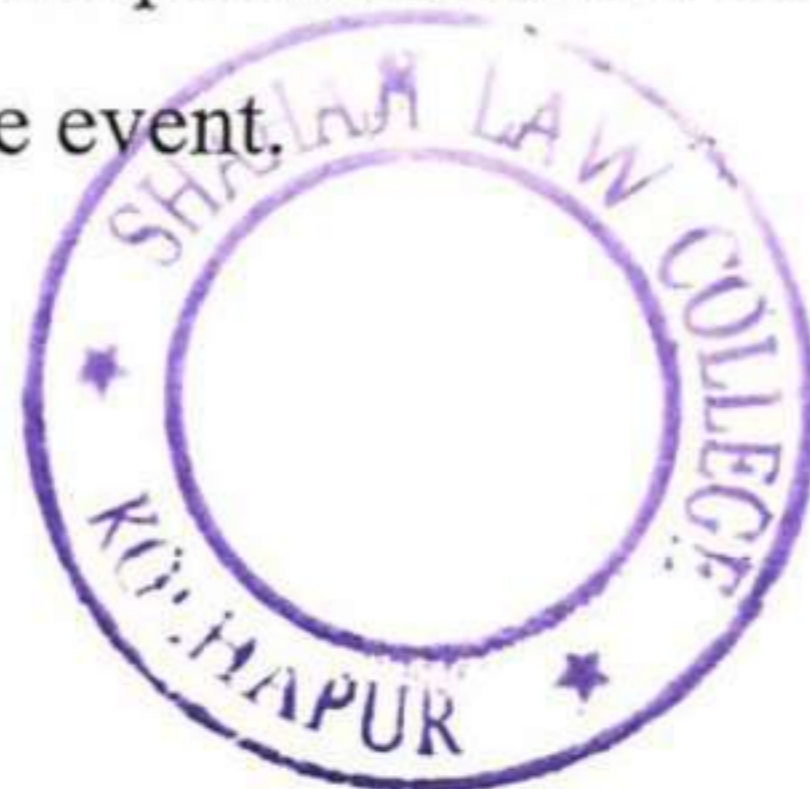

Students from various classes enthusiastically participated in the Rangoli Competition, forming teams to create intricate and visually stunning Rangoli designs. Armed with vibrant colors, powdered dyes, and stencils, participants unleashed their creativity on the canvas of the college courtyard.

The competition allowed participants to choose their own themes for their Rangoli designs, resulting in a diverse array of artistic expressions ranging from traditional motifs to contemporary themes. A panel of judges, comprising faculty members and guest artists, evaluated the Rangoli designs based on criteria such as creativity, originality, symmetry, and use of colors.

The college courtyard came alive with a riot of colors as participants showcased their artistic prowess through intricate Rangoli patterns. Designs ranged from traditional geometric patterns and floral motifs to elaborate depictions of mythological themes, social messages, and cultural symbols.

The Rangoli Competition fostered a spirit of teamwork and collaboration among participants, as they worked together to conceptualize, plan, and execute their Rangoli designs. The event provided a platform for students to bond, share ideas, and collectively create beautiful works of art.

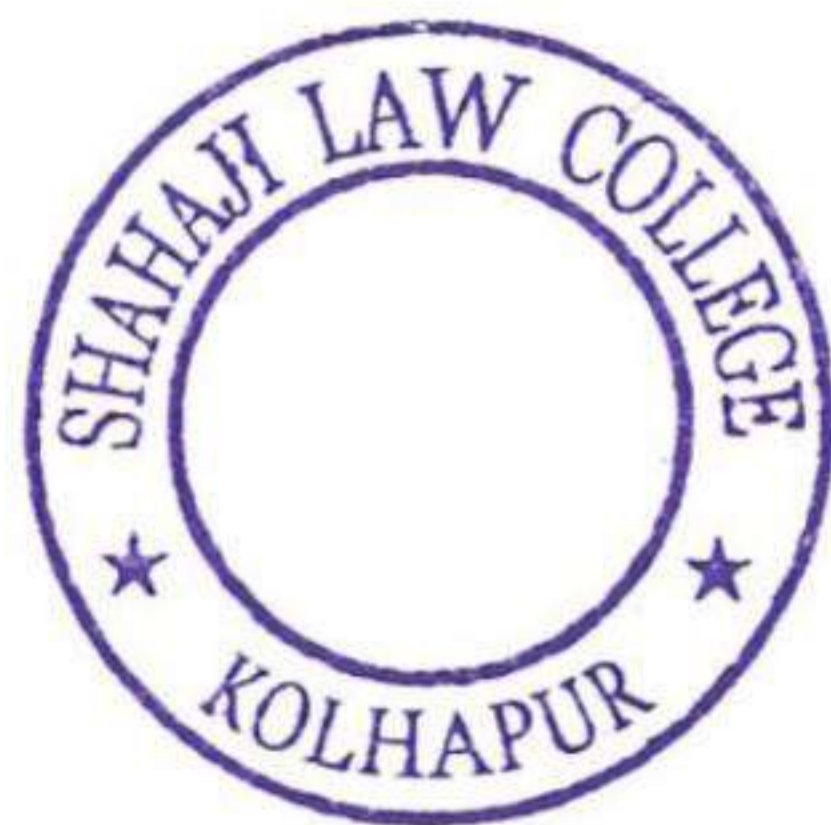

After careful deliberation, the judges selected the winners based on the merit of their Rangoli designs. Prizes were awarded to the top-performing teams, acknowledging their artistic talent and creativity. Additionally, all participants received certificates of participation to recognize their efforts and contributions to the event.
