Report On Parents Meeting of Pre Law 2nd Year Class

Date: 11/02/2023

On 11th February 2023, Shahaji Law College conducted a Parents Meeting for the Pre Law 2nd Year class. The meeting aimed to provide parents/guardians with insights into their ward's academic progress, upcoming curriculum, and various initiatives undertaken by the college. The meeting was well-attended with a significant number of parents and guardians present. Their active participation contributed to the success of the event.

The meeting commenced with a warm welcome extended to all the parents/guardians by the college faculty. The faculty members provided a comprehensive overview of the academic performance of the Pre Law 2nd Year students. They highlighted areas of excellence and areas needing improvement. A detailed explanation of the upcoming curriculum, including subjects, coursework, and assessment methods, was presented to the parents/guardians. This helped them understand the academic journey of their wards. The college authorities discussed various extracurricular activities, workshops, seminars, and competitions planned for the academic year. Parents were encouraged to motivate their wards to actively participate in these events. An interactive session was conducted where parents/guardians had the opportunity to ask questions, seek clarifications, and provide feedback on the college's academic and administrative aspects.

Parents gained valuable insights into their ward's academic performance and future prospects. They received information about the college's curriculum and extracurricular activities, enabling them to support their wards effectively. The interactive session fostered a sense of collaboration between the college and parents, promoting a conducive learning environment for students.

The Parents Meeting for the Pre Law 2nd Year class was a resounding success, thanks to the active participation and engagement of parents/guardians. Such initiatives strengthen the bond between the college and parents, ultimately benefiting the holistic development of students. We extend our heartfelt gratitude to all the parents/guardians who attended the meeting and contributed to its success.

It was a full-time internship for the period of 10 months. I had to reach the chamber at sharp 9:30 am each day. During my internship we daily went to the courts and attended cases.

as dated accordingly. Ultimately, I was asked to visit the courts on daily basis and told to observe the proceeding and hearings etc. They used to give me case files of different matters and initially I was not able to understand those case files, so they helped me understand the case files easily and told me that which document I had to read first and then another.

Judgement writing problem – Criminal

Arundhati, aged 21 years, studying in BCom final year was in love with Aniruddha. However, the castes of both of them being different parents of Arundhati opposed the marriage and also threatened Aniruddha that if he does not keep away, they'll do anything to prevent him. On 27-10-2021 Arundhati sent message to Aniruddha that her parents are fixing her marriage with one from her caste and he should do the needful. Aniruddha calls meeting of his friends Shree, Sayyam, Swaroop. And told them that unless they arrange to take away Arundhati from her home she will be forcibly married. They decided that on 30-10-2021 they will help Arundhati in escaping from the house as her parents have locked her in her room on the first floor. And accordingly, Aniruddha communicated this plan to Arundhati. Arundhati told them that she can escape from her room's window with the help of bedsheet and chaddar.

On 30-10-2021 in the night at about 10pm, all the inmates of the house of Arundhati slept and the lights were put off. At about 10:15pm Arundhati intimated that she's planning to escape from the window on the rear side of the house and she needs help as she's fearing to come down alone. Aniruddha and his 3 friends parked the car at some distance from the house of Arundhati. Shree and Sayyam climbed the wall after covering their faces with masks and gave signal to Arundhati. Arundhati came down from her room with their help and thereafter she along with other 2 climbed the wall and then tried to jump down. In that attempt, Shree fell down making a loud Noice. The inmates of the house awoke and started searching. They noticed Arundhati running with 2 unknown persons. Arundhati and 2 others rushed towards car. However, as Shree was injured, he could not manage the speed. Arundhati, Aniruddha, Sayyam and Swaroop fled away in the car. Shree was caught by the inmates of Arundhati and was taken to the police station where father of Arundhati lodged FIR against Shree, Aniruddha and 2

unknown persons. After 7 to 8 days all of them were nabbed by the police. Anirudhha and Arundhati got married but all of them came to be charge sheeted on completion of the investigation.

The prosecution examined the Shakil (PW1) in respect of panchanama of the spot offence and seized the bedsheet and chaddar. The police also seized the car used by Aniruddha for fleeing from the spot. Panch Ravindra (PW2) is been examined on. Apart from it, the police examined 2 eye witnesses namely father/complainant of Arundhati, Anandrao (PW3) and their Neighbour Mohanrao (PW4). Lastly the prosecution examined the IO PI Walimbe.

The University has a campus spread over 853 acres (3.45 sq km), and is named after Chatrapati Shivaji Maharaj, founder of the Maratha Empire. One of the major objectives behind foundation of this University was to cater

to the regional needs of South Maharashtra. The jurisdiction of the University is spread over three districts viz. Kolhapur, Sangli and Satara with strength of about 3,00,000 students studying in 280 affiliated colleges and recognized institutes. Shivaji University has been re-accredited by National Assessment and Accreditation Council (NAAC) Bangalore, with "A++" Grade (CGPA-3.16) (2014). University which was founded primarily to cater to the regional aspirations has now geared up to transcend this regional image and emerging as one of the premier institutes of higher education and research in India.

Report on a guest lecture on ICT and Legal Education

ICT and Legal Education: Innovations, Challenges, and Opportunities

Introduction of the topic:

In the contemporary digital era, Information and Communication Technology (ICT) has become ubiquitous across various domains, including education. The field of legal education is no exception, witnessing a profound impact from ICT advancements. This report explores the intersection of ICT and legal education, focusing on the innovations, challenges, and opportunities it presents. The lecture was arranged in the hall of our Shahaji Law College, Kolhapur.

1. Innovations in Legal Education through ICT:

Online Learning Platforms: ICT has facilitated the development of online platforms offering courses, tutorials, and resources tailored to legal education. Platforms like Coursera, edX, and Khan Academy host a wide array of legal courses accessible to learners worldwide. Virtual classroom environments enable interactive lectures, discussions, and collaborative activities, enhancing student engagement and facilitating real-time interactions among peers and instructors. ICT enables the creation of realistic legal simulations and the integration of legal technology tools such as case management software, legal research databases, and document automation platforms into legal education curricula.

2. Challenges Facing ICT Integration in Legal Education:

Ensuring the quality and credibility of online legal education resources poses a challenge, as the proliferation of online platforms may lead to varying standards and inconsistent learning experience. Students and educators require adequate digital literacy skills to effectively utilize ICT tools and navigate online learning environments, which may necessitate additional training and support.

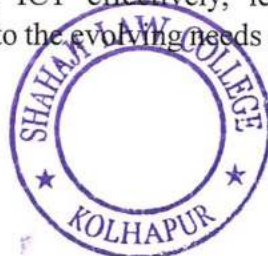

3. Opportunities for Advancement:

Flexible Learning Modalities: ICT enables flexible learning modalities, allowing students to access legal education resources asynchronously and accommodating diverse learning styles and preferences.

4. Future Directions and Recommendations:

Investment in Infrastructure: Governments and educational institutions should prioritize investment in ICT infrastructure to ensure equitable access to online legal education resources.

The integration of ICT in legal education offers promising opportunities for innovation and improvement, but it also presents challenges that require careful consideration and proactive measures. By leveraging ICT effectively, legal education can become more accessible, engaging, and responsive to the evolving needs of students and the legal profession.

**Rapporteur Report of One Day National Webinar on Migrant Workers and Labour
Laws: Identifying Gaps and Exploring Legal Remedies on 23rd December 2020**

A One Day National Webinar on '*Migrant Workers and Labour Laws: Identifying Gaps and Exploring Legal Remedies*' was organised in Council of Education's Shahaji Law College on 23rd December 2020, the 22nd Death Anniversary of the Founding Father of the Institution Deshbhakt Dr. Ratnappanna Kumbhar. The National Webinar was funded by the National Commission for Women.

Inaugural Session:

The National Webinar began with an introduction of the theme of the Webinar by Principal Dr. R. Narayana. Dr. Narayana thanked the National Commission for Women for providing funds to conduct the webinar on such a timely and pressing issue. Dr. Vishwanath Magdum, Member, Council of Education also addressed the participants of the seminar. He highlighted the immense contribution of Dr. Ratnappanna Kumbhar to alleviate the position of the working class and also his contribution to the making of the Indian Constitution. He wished a grand success for the National Webinar. The Key note Speaker for the Inaugural session was Prof. (Dr.) Ishwar Bhat, Vice Chancellor of the Karnataka Law University, Dharwad. The key note Speaker was introduced by Dr. Suchita Suragihalli. In his key note address Prof. Bhat covered a number of Legislations, International Conventions and policies for the migrant workers in context of the Women migrant workers. He highlighted the various benefits that can be given to women migrant workers even if they are appointed on a temporary basis. He pointed out that the labour market, prominently that of the migrant workers is gendered in the sense that women have to face discrimination, exploitation and apathy. Sir drew attention to the United Nation conventions meant especially for the migrant workers which the nations should adopt and implement as a moral responsibility. He argued that the scope left for interpretation of laws should not result in discrimination against women but rather in realization of Gender Equality. The vote of thanks for the inaugural session was expressed by Dr. Suchita Suragihalli.

granting of Minimum Wages, basic necessities and medical facilities to be provided to the workers. Dr. M. C. Sheikh delivered the vote of thanks for the session.

3rd Technical Session:

The topic of the 3rd Technical Session was '*Migration a Challenge to Women Rights: Social Issues and Politico-economic Redressal*'. The Resource person for the 3rd Technical session was Dr. B. S. Patil, Slogaocar Law College, Goa. Prof. Suhas Patki, Faculty of Shahaji Law College introduced the Resource Person. Through 11-points relating to the topic Dr. B. S. Patil made an exhaustive and rigorous discussion regarding the plight of the migrant women workers. He referred to migration as double-edged sword which on the one hand brought economic growth in its host land but on the other hand changed its the cultural demography. He made a distinction between internal and intra migration in terms of its nature, its push and pull factor and predictability. Dr. Patil is of the opinion that a feminisation of migration has taken place and its study in the context of share in employment, wages, flexibility of nature of work is imperative in present times. He identified the constraints of women migration i.e., manipulation of employment agencies, sexual exploitation, withholding wages, lack of healthcare etc. Dr. Patil recommended that the benefits of migration need to be highlighted to increase public awareness, pan-India migration studies need to be conducted, women returning home need to be socially and mentally supported etc.

At the end the Dr. Praveen Patil, Convenor of the One Day National Webinar on Migrant Workers and Labour Laws: Identifying Gaps and Exploring Legal Remedies delivered the vote of thanks to the Directors of the Council of Education, Principal, Faculty members, non-teaching staff, students and participants. The webinar was anchored by Dr. Suchita Suragihalli and Dr. Asmita Patil.

Report of Parents Meeting of Pre-Law 1st Year

Date: 25th January 2020

On 25th January 2020, Shahaji Law College organized a parents meeting for the first-year pre-law students. The meeting aimed to provide an opportunity for parents to interact with faculty members, gain insights into the academic curriculum, and address any concerns or queries regarding their wards' education and well-being.

The meeting commenced with an inaugural address by the college principal, highlighting the significance of parental involvement in the academic journey of students. Parents were welcomed and encouraged to actively participate in the discussions.

Faculty members presented an overview of the pre-law academic curriculum, including subjects, teaching methodologies, and assessment procedures. Parents gained insights into the structure of the program and the college's approach to legal education.

The faculty provided updates on students' progress and performance, including attendance records, academic achievements, and areas of improvement. Parents received individualized feedback on their wards' performance, enabling them to track their academic growth effectively.

An interactive session was conducted wherein parents had the opportunity to seek clarifications on academic matters, examination patterns, and career prospects in the legal field. Faculty members addressed parents' queries and concerns, fostering open communication and collaboration.

The college counselor briefed parents on the various support services available to students, including counseling, mentoring, and academic guidance. Parents

were encouraged to leverage these resources to support their wards' holistic development and well-being.

Parents had one-on-one interactions with subject teachers to discuss their wards' academic performance, strengths, and areas needing attention. These personalized discussions facilitated a deeper understanding of students' individual needs and learning styles.

At the conclusion of the meeting, parents were invited to share their feedback and suggestions for enhancing the academic environment and student support services. Their inputs were noted for consideration in future planning and initiatives.

The parents meeting for the first-year pre-law class at Shahaji Law College served as a platform for fostering collaboration between parents, faculty, and students in ensuring academic success and holistic development. The event reaffirmed the college's commitment to parent engagement and student support, laying the foundation for a fruitful academic journey ahead.

The constructive dialogue and exchange of ideas during the meeting underscored the importance of partnership between home and college in nurturing students' academic excellence and overall well-being. Shahaji Law College looks forward to continued collaboration with parents in empowering students to achieve their full potential in the field of law.

Report on a guest lecture on Communication Skills: An Art of Advocacy

Introduction of topic:

The guest lecture on the Communication Skills: An Art of Advocacy provided an enriching opportunity for attendees to gain insights into the essential skills and techniques required for effective legal practice. Advocacy, as an art form, encompasses a multifaceted approach to conveying messages, championing causes, and effecting change. Whether in legal proceedings, social justice movements, or corporate environments, the skilful practice of advocacy requires a blend of persuasive communication, strategic thinking, and empathy.

Key Elements given for Effective Advocacy:

1. **Clear Messaging:** Successful advocacy begins with a clear and concise message that resonates with the intended audience. This message should encapsulate the core values, goals, and desired outcomes of the advocacy effort.
2. **Understanding the Audience:** Effective advocates tailor their message to suit the needs, values, and perspectives of their target audience. This requires research, empathy, and the ability to communicate in a language and manner that connects with diverse groups.
3. **Building Coalitions:** Collaboration is often crucial in advocacy work. Building alliances with like-minded individuals, organizations, and stakeholders amplifies the advocacy message and strengthens collective efforts towards achieving shared goals.
4. **Leveraging Evidence:** Advocates must support their claims with credible evidence, whether it be statistical data, expert opinions, personal testimonies, or case studies. Concrete evidence adds credibility and persuasiveness to the advocacy narrative.

The Role of Art in Advocacy:

Artistic expression plays a significant role in advocacy by engaging emotions, challenging perspectives, and sparking meaningful dialogue. Through mediums such as visual arts, music, literature, theater, and film, artists have the power to convey complex messages, provoke thought, and inspire action on social, political, and environmental issues.

Case Studies:

Civil Rights Movement: The Civil Rights Movement in the United States utilized various forms of advocacy, including peaceful protests, marches, speeches, and artistic expressions such as music and literature, to challenge systemic racism and promote equality and justice.

Conclusion:

We came to conclusion that Mastering the art of advocacy requires a combination of strategic thinking, effective communication, and a deep commitment to social change. By understanding the key elements of advocacy, leveraging the power of artistic expression, and learning from historical and contemporary examples, advocates can effectively advance their causes and make a lasting impact on society.

REPORT

Welcome Function and Induction Programme for First Year LLB

15-12-18

The welcome function and induction programme for first-year LLB students at Shahaji Law College was held on December 15, 2018, with the aim of providing a warm and informative introduction to the college and its academic culture. Organized by the college administration and faculty members, the event sought to acquaint new students with the resources, facilities, and expectations of the college community.

The programme commenced with a warm welcome address by the college principal, who extended greetings to the incoming batch of LLB students and emphasized the significance of legal education in shaping future leaders and advocates for justice.

New students were briefed on various college policies and regulations pertaining to attendance, academic integrity, code of conduct, and disciplinary procedures. This session aimed to familiarize students with the college's expectations and ensure adherence to institutional norms.

Faculty members provided an overview of the LLB curriculum, course structure, and examination pattern, guiding students on academic requirements, study resources, and assessment criteria. The orientation session aimed to clarify academic expectations and facilitate smooth transition into the academic rigors of law school.

Students had the opportunity to meet and interact with faculty members, administrative staff, and senior students during informal networking sessions and ice-breaking activities. This interaction fostered a sense of belonging and community among new students and facilitated peer support networks.

A guided tour of the college campus was organized to familiarize students with key facilities such as classrooms, library, moot court hall, administrative offices, and recreational areas. The campus tour provided students with a sense of spatial orientation and encouraged exploration of campus resources.

Interactive sessions were conducted on topics such as time management, study skills, and extracurricular opportunities, aimed at equipping students with essential life skills and fostering holistic development beyond academics.

The welcome function and induction programme for first-year LLB students at Shahaji Law College served as a meaningful initiation into the academic and social fabric of the institution. Through informative sessions, interactive activities, and networking opportunities, new students were empowered to navigate their academic journey with confidence, resilience, and a sense of purpose. As they embarked on their legal education, the induction programme laid a strong foundation for their personal and professional growth, fostering a culture of excellence, integrity, and camaraderie within the college community.
