**Gender Audit of Shahaji Law College**

Education plays very pivotal role in promoting egalitarian values enshrined in the Constitution of India. University Grants Commission has stressed the need of analysing educational institutes in the context of its reach to the marginalized and disadvantaged groups. Women and third gender, are two such groups, which are disadvantaged and needs special attention. Gender Equality, therefore should be the goal towards which all educational institutes must strive. Gender Audit of an educational institute /college helps it to assess and check the institutionalization of gender equality in their college/ institutions, including their policies, programs, proceedings, budget, etc. Once the gender audit is done, it helps colleges/ institutions to improve and fill the gaps to achieve the goal of Gender Equality.
